**Parents/Students:** Please make sure your children have **pens, pencils, sharpeners, and calculators** with them each day when they come to school. Many students are coming to school **unprepared.**

**Please do not forget to donate plastic shopping bags for our Earth Day project.**

## HOMEWORK

### Art Homework: All grades

Create a work of art to celebrate Earth Day in your sketchbooks. Any subject is fine as long as it pertains to Earth Day (example: recycling, water conservation, etc...). Due Monday March 3<sup>rd</sup>

### Language Arts Assignments:

All classes:

We will be preparing for FCAT this week by reviewing MAIN IDEA and CONTEXT CLUES. Whether or not classes have homework at any point this week, will depend upon how much we get through in class. Make-up work for those students interested in raising their grade will be given on Tuesday. That work will be due Friday, 2/29.

### MATH:

Homework for this week is in the website  
<http://schoolnotes.com/33301/jhuleguia.html>

**Due to poor student responsibility, there will be NO WATER BOTTLES allowed in my room.**

**SCIENCE:**

Grades 6 and 7

We are preparing to become 'savvy' about our environment for Earth Day (April 22). We will learn what it means to be 'Environmental Conservationists'

Parents you are welcome to help your child with this assignment and discuss the terms definitions with them.

Follow the instructions for handout:

### **Environment and Pollution: Matching**

**1- Look up the definitions of the terms at home or in the library in a dictionary, an encyclopedia or the Internet**

**2- Match the letter of the term with it's definition**

**3- Be prepared to know and understand their meanings!**

### **GRADE 8**

**Note: Since students were able to produce 10 DATA dollars as a class their reward was to chose when to have their next test, that date is now March 7th and will cover all of chapter**

**3: Force.** A chapter review will be posted on <http://www.broken-robot.net>.
