Parents/Students: Please make sure your children have **pens, pencils, sharpeners, and calculators** with them each day.

Our Earth day project needs you to bring in paper to be recycled: Unused return envelopes (with little print) and any other paper that has little or no print, for example: a white bag, crumpled wrapping paper, shredded paper from the office...

Note: nothing glossy or coated

HOMEWORK 3/-10/-08

Art Homework:

All Grades:

Takes several objects from around your home that are related (4 minimum). Compose them in such a way that it is aesthetically pleasing to look at. In your sketchbooks create a drawing of this still life with as much detail as possible. Color is not required. All work must be done with considerable time spent. Any work that looks as though it were rushed or done at the last moment will not be accepted. Due next Monday 3/17/08.

Reading:

All Grades:

Get a good night's sleep and come early and prepared for FCAT testing on Tuesday and Wednesday-have a good breakfast---REMEMBER TO NOT BRING ANY ELECTRONIC DEVICES TO SCHOOL THIS WEEK-THIS IS VERY IMPORTANT TO SECURITY OF THE TEST!

After testing, when our regular schedule resumes, there will be sheets given out on poetry and playwriting--this is the next unit we will be working on.

Language Arts:

All Grades:

Students should be finishing their first unit in Odysseyware this week, which focused on Developing Reading Skills. We will continue doing our reading comprehension warm-ups at the

beginning of each class this week; again, whether or not classes have homework at any point this week will depend upon how much we get through in class.

Math:

All Grades:

This is the FCAT week. Good luck for everybody, and try your best. There is not homework this week however, we will keep reviewing and preparing for the test. Any incomplete class work will be completed at home as a homework.

Don't forget MAKE UP WORK given out on Tuesday, March 4th, will be collected on Monday 10th, no late make up work will be accepted.

Social Studies:

World History/Grade 6

Geography/Grade 7

American History/Grade 8

NO homework this week.

Good luck on FCAT!

Science Homework:

6th and 7th Grades:

Collect papers and collect plastic bags for Eco-projects.

Get a good rest each evening and eat breakfast each morning.

You Will Do Well on the FCATs

Grade 8 Science Tentative Due Dates

NOTE:

Science FCAT this Thursday in two 1 hour sessions, This Tuesday is the LAST CHANCE to get extra science help before the FCAT.

Science help will still be provided through the end of March.

4.2 Studyguide packet due March 10 (Today)

4.4 Studyguide packet due March 20, Handed out on March 10 (Today)

Written reports for projects (25% of grade) due March 20

Extra credit written reports due March 20

Chapter 4 Test on March 20

Project presentations begin March 24

PARENTS AND STUDENTS: please go to <http://www.broken-robot.net> to review any necessary information for your projects. Your topics, presentation dates, partners, assignment, and how you will be graded are all there. Please Remember that I WILL NOT accept the written reports after March 20.

Please begin work now to avoid receiving a zero because you did not bring turn it in on time.
